### One of Many

Mrs. G. H. Williams, of Lynnhaven, Va., writes: "It is six years since my health gave away. I had female trouble and all the doctors I employed failed to cure me. I was not able to do my work and to hire someone all the time. Finally, I read in the papers about Dr. Pierce's Favorite Prescription, and decided to try it. I had not taken but one bottle when I found I was doing me good. I took in all five bottles of 'Favorite Prescription' and now I am able to do all my housework and have gained fourteen pounds. I advise all women who suffer from female troubles to try Dr. Pierce's Favorite Prescription. It's the only medicine on earth."

## CAMPBELL'S WINTER CHASER

Is Practically Repair-Proof

OF COURSE you want heat—the right degree, and you want it in all weathers no matter how the wind blows.

And we guarantee it with a Winter-Chaser.

But you want more—you want a furnace that lasts—you don't buy a heating plant often—and if it's a Campbell you buy it once in a lifetime. That's a big point of value over all other furnaces—the Winter-Chaser lasts a lifetime and absolutely secures you against the nuisance of repairs.

It is so well built; so strong, scientifically and honestly put together that there is no tinkering, seldom a new part—or a change needed in any detail.

## CAMPBELL'S WINTER CHASER

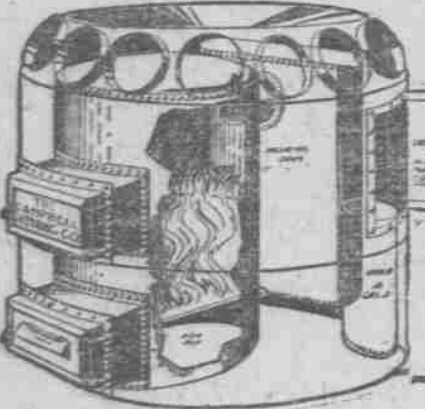

is almost indestructible—as we can prove by the experience of hundreds who have owned them for almost thirty years. Send for our book "Twice-A-Day," and see letters from those satisfied owners who have lived in the west thirty years and whose families have grown up with a Campbell.

Economical?—Just study the question a moment—the Campbell patented heat-retainer, the gas-tight construction, the big air-chamber, the down-draft, the perfect piping system, and, above all, the heavy steel plate of its construction—all are factors of economy; all give you the most heat for the least money and trouble.

In large air-chamber means good fire insurance—the water reservoir, holding fifteen gallons or more, means moist air all the time in every room in the house—the rotary air movement means warm floors all the time—the fact that the Winter-Chaser has no cement joints means no smoke nor bad gas in the house. All these are convincing reasons in favor of the Winter-Chaser.

The Rotary Air Movement, the invention of A. K. Campbell, insures warm floors and a constant circulation of fresh, pure air—in short, you are making a serious mistake if you fail to investigate this guaranteed proposition. Don't delay sending for our booklet "Twice-A-Day." It will give you letters of proof—all the facts. Address

### GIVES ROOMS FOR DESTITUTE WOMEN

So that the Traveller's aid will have a place to send women and girls who reach El Paso out of funds, where they may be cared for until they can be helped, the Rose Gregory Hochman settlement house has contributed the use of two of its rooms. These will be fitted up by contributions from the different individuals. Having these rooms

will relieve the Traveller's aid of a difficult situation which often presents itself with women reaching El Paso without funds, and have to be taken care of until relatives or friends can be communicated with, or some plan found for their assistance.

Try a 25 cent want ad in the El Paso Sunday Herald. Many replies. Phone 115 or 116 up to 9 o'clock Saturday night.

The New Zeezer will keep up the reputation of the old with a few extra frills thrown in gratis.—Advertisement.

## DEVELOPMENT Mescalero Sand Road Being Built

Contract Let for Completion of This Highway in New Mexico; Chaves County to Pay Half the Expense

Roswell, N. M., Oct. 3.—The Mescalero Sand road will be finished. This road is 26 miles east of Roswell and up to last year, when five or six miles of the road was finished, was the meanest road to cross in the south-west. There only remains something over a mile to be completed that will now make the whole stretch a regular boulevard. The road is on the main Boulevard and Southern National highways.

The contract has been let to a Mr. Prather, and work will be rushed to completion. The contractor is to furnish everything but the hand tools. Deputy county Surveyor H. W. Vauchet is to make the soundings.

There are three stretches to be finished. One commencing in the Hagerman pasture on the east side will be about 300 yards long. Another, just outside of the pasture is about five-eighths of a mile long. The other begins at a point 39 miles east of the city and is about three-fourths of a mile in length.

The county expects to get assistance for half of the expense of finishing the road from the state highway commission.

The road will be finished much like the six miles already completed. A path 11 feet wide will be thrown out about 10 feet, then smoothed off, filled in with clay, and on the top some substance that solidifies best will be used.

## MR. J. D. JONES TELLS ABOUT PLANT JUICE

Well-Known El Paso Citizen Finds It Highly Meritorious and Recommends it.

Mr. J. D. Jones is one of the many well known and respected citizens of Texas who has personally tested Plant Juice and is highly pleased over it as a corrective and tonic. Mr. Jones lives at 713 Union avenue, El Paso. He said: "Plant Juice has done me a world of good from the very day I began taking it. I suffered with a serious blood disorder and constipation. I had been reading of Plant Juice and knew some of the people who had been taking it and were so enthusiastic over the results. I secured a bottle and from the first began to improve rapidly, appetite better, sleep better, and to feel fresh vigor all over. Plant Juice is all right."

Plant Juice is a success because it succeeds. We have hundreds of earnest letters of endorsement from people of standing and influence in Texas. Were Plant Juice other than an article of great merit no such outburst of public approval could be had. For the restoration of nerve force, for the relief and cure of stomach, liver and kidney ailments, Plant Juice is the greatest tonic of the age. It cleans the liver, relieves indigestion, dissolves uric acid in the blood and cures rheumatism. In fact, it brings you immediate relief and permanent cure for these most distressing ailments.
